

# **Suffering from a minor illness and want some advice as quickly as possible?**

## **DID YOU KNOW...**

**that your local pharmacist can give you confidential advice and treatment if needed for a number of common illnesses without the need for an appointment with your GP?**

**Here are just some of the conditions that your pharmacist can help you with:**

**coughs, colds and sore throats  
minor skin conditions and acne  
athletes foot  
styes and minor eye infections  
head lice  
pain, including backache  
cold sores  
diarrhoea/constipation  
colic  
thrush**

**Pharmacists provide many other services including:**

**NHS emergency hormonal contraception  
NHS smoking cessation support  
Advice on travel injection requirements &  
supply of malaria prevention**
